The Gender Sensitization Cell has organised guest lecture on **“GENDE BASED VOILENCE: NURSES ROLE”** on **19/05/2019**. Guest lecture focus on importance of launching gender sensitization programme in all the sectors to support women at risk of gender-based violence. The opportunity for this crime to take place increases & opportunity for women to seek help or remove themselves from abuse situation may be limited. In this guest lecture there are 27 teaching faculty and around 170 students from GNM, BSc.Nsg were participated.

In first session was started with introduction of speaker by Prof.Vijay kumar, principal, ACN. In this session prof. Prasna Kumar, HOD Child health Nursing dept, Bapuji college of Nursing Davangere, has taken an informative session on focusing the theme **“GENDE BASED VOILENCE: NURSES ROLE”**, described that health care agencies should recruit an experienced and professionally progressive nurse to join the existing team of Gender Based Violence Nurses. So that You will be an experienced nurse who can use your own initiative and work under pressure. You will work within a clinical team that value a holistic patient centred approach and ensure the delivery of safe, effective high quality care to all of our service users. You should be motivated and committed to provide a high standard of professional nursing care, with a proven ability to influence changes in practice. You should be able to work

Adichunchanagiri College of Nurs

well within a diverse team and demonstrate your ongoing learning with supporting evidence.

At the end of the session the doubts were clarified by the guest persons. This session was concluded by Mrs. Arathi T.V, gender sensitization cell coordinator, ACN.

REPORT ON PREVENTION OF VOILENCE AGAINST WOMEN AND CHILDREN

The Gender Sensitization Cell has organised guest lecture on **“PREVENTION OF VOILENCE GAINST WOMEN AND CHILDREN”** on 16/09/2019. Guest lecture focus on Violence against women and girls is rooted in gender-based discrimination, social norms and gender stereotypes. In this guest lecture there are 27 teaching faculty and around 180 students from BSc.Nsg were participated.

In first session was started with introduction of speaker by Prof.Dr, N.V Muninranappa, principal, ACN. In this session guest speaker prof. Dhanpal, HOD Department of Psychiatric Nursing, Raja Rajeswari College of nursing, Bangalore, has taken an informative session on **“PREVENTION OF VOILENCE GAINST WOMEN AND CHILDREN”** by describing the best way to end violence against women and girls is to prevent it from happening in the first place by addressing its root and structural causes Prevention should start early in life, by educating and working with young boys and girls promoting respectful relationships and gender equality. Working with youth is a “best bet” for faster, sustained progress on preventing and eradicating gender-based violence. Often overlooked by public policies and interventions this stage of life is a critical time when values and norms around gender equality are forged.

At the end of the session the doubts were clarified by the guest persons. This session was concluded by Mrs. Arathi T.V, gender sensitization cell coordinator, ACN.
