Introduction:

Namaste! Sir/Madam,

Maction Consulting Pvt. Ltd. is a full-service research and consulting firm based in Ahmedabad, India. We are conducting a study for the Indian Institutional Ranking Framework (IIRF). The objective of this Ranking of Universities study is to provide internationally comparable data on key aspects of various institutes attributes, such as Placement Performance, Teaching Learning Resources & Pedagogy, Research Industry Tie-Up and Integration, Placement Strategies & Support, Future Orientation, and External Perception and rank them to find Top Universities. In this regard, I would be incredibly grateful to you if you could spare some time and provide us your valuable inputs by participating in this study. Your answers will be kept confidential, and your name shall not be mentioned without your consent. Your responses will be aggregated with other responses analysed and shared with the client.

Thank you.

Please note that your response should be based on the **previous academic year 2022-23**.

The Scoring Pattern is explained as below:

No.	Dimension	Maximum Marks
1	Teaching Learning Resources & Pedagogy	100
2	Research (Volume, Income and Reputation)	100
